## **SBERBANK CIB (UK) LIMITED BUSINESS CONTINUITY: SUMMARY DISCLOSURE STATEMENT**

Sberbank CIB (UK) Limited has developed a Business Continuity Plan detailing how we plan to respond to events that may significantly disrupt our business. Since the timing and impact of disasters and disruptions are unpredictable, we will have to be flexible in responding to actual events as they occur. With that in mind, we are providing you with this information on our disaster recovery plan.

If, after a significant business disruption, you cannot contact us as you usually do on +44 (0) 20 7583 3257, you should call our Moscow affiliated office number +7 495 258 0500 or visit our parent company's web site at [www.sberbank-cib.ru](http://www.sberbank-cib.ru).

If you cannot access us through either of those means, you should contact our clearing agents for instructions on how they may provide prompt access to funds and securities, order entry and other trade-related cash and security transfer processing:

**for Equities** - Citibank, N.A. acting through its London Branch located at Citigroup Centre, Canada Square, Canary Wharf, London, E14 5LB [www.citibank.co.uk](http://www.citibank.co.uk)

**for Fixed Income** – Euroclear, website [www.euroclear.com](http://www.euroclear.com), located at 33 Cannon Street, London, EC4M 5SB

**Our Business Continuity Plan** – we plan to quickly recover and resume business operations after a significant business disruption and respond by safeguarding our employees and property, making a financial and operational assessment, protecting the firm's books and records, and allowing our customers to transact business in the usual manner. In short, our Business Continuity Plan is designed to permit our firm to resume operations as quickly as possible, according to the scope and severity of the significant business disruption.

Our Business Continuity Plan addresses data backup and recovery; all mission critical systems; financial and operational assessments; alternative communications with customers, employees, and regulators; alternate physical location of employees; critical suppliers, contractors, bank and counter-party impacts; regulatory reporting and assuring our customers' prompt access to their funds and securities if we are unable to continue our business.

**Varying Disruptions** – Significant business disruptions can vary in their scope, and may impact only our firm, a single building housing our firm, the business district where our firm is located, the city where we are located or the whole region. Within each of these areas, the severity level of disruption can also vary from minimal to severe. In a disruption to only our firm or a building housing our firm, we will transfer our operations to a local site if and when needed and expect to recover and resume business within four business hours. In a disruption affecting our business district, city, or region, we will transfer our operations to a site outside of the affected area, and recover and resume business within one business day. In either situation, we plan to continue business, transfer operations to our affiliate company if necessary, and notify you through our parent company's website [www.sberbank-cib.ru](http://www.sberbank-cib.ru). Your orders could be delayed during the period of a disruption. If the significant business disruption is so severe that it prevents us from remaining in business, we will assure our customers' prompt access to their funds and securities.
